ENVIRONMENTAL POLICY STATEMENT

It is the policy of MLA Holdings Pty Ltd to achieve best practice in environmental management in the following areas.

- Importing of mobile equipment, engines and spare parts.
- Supply of mobile equipment, engines and spare parts.
- Office management and factory operations.
- On site service and maintenance functions.

MLA Holdings Pty Ltd is committed to reducing pollution, conserving resources, reducing waste and minimizing adverse environmental effects associated with our services and operations.

Our environmental management goals are.

- Maintain a Management System to the environmental standard ISO 14001.
- Supply environmentally friendly products to our customers.
- Ensure that all employees, sub contractors, and suppliers are environmentally aware and have the necessary competencies to meet environmental objectives and obligations.
- Comply with all applicable environmental regulations.
- Ensure that our employees and sub contractors working on customers sites comply with the environmental requirements of that site.
- Continued improvement in environmental management performance.
- Ensure that environmental considerations are included in our business planning and operations.
- Ensure that sufficient resources are provided to meet the objectives of this policy.

MLA Holdings Pty Ltd requires all employees, sub contractors, and suppliers to understand and comply with this policy.

Ken Rathgen
